

NCC  
80

You are invited to a special demonstration during the NCC of our revolutionary new VIDEOPRINT systems —the full-color, distortion free, low cost way to obtain photographic hardcopy from computer graphic video displays.

**WE PROMISE.**

No lectures. No sales pitches. Just a hands-on demonstration of live equipment where you can see, touch and try our desk-top VIDEOPRINT systems and walk away with a sample VIDEOPRINT in your pocket.

Plan to meet us at the  
*Disneyland Hotel*  
*South Lounge*  
*Tuesday, May 20*  
anytime from  
*8:00 AM to 4:00 PM.*

We will also be showing live working systems at the Polaroid™ booth. Look for us or call (805) 496-3317 or (714) 523-4510 for our locations.
